RE: Engineer's Certification
Capital Improvements Project
Stoney Mountain Road Landfill
Henderson County, North Carolina
Permit # 45-04-T

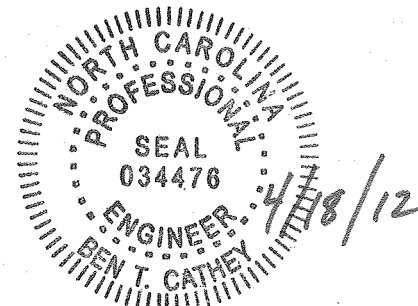

Dear Mr. Frost:

On behalf of Henderson County, McGill Associates is pleased to notify the North Carolina Department of Environment and Natural Resources, Division of Waste Management, Solid Waste Section that the Capital Improvements Project at the Stoney Mountain Road Landfill has been completed. The project generally consisted of the construction of new scales, scalehouse, citizen's convenience center, various drop-off areas, access roads, and appurtenances. The project also included rehabilitation work at the transfer station. The following certification is therefore provided:

PROFESSIONAL ENGINEER'S CERTIFICATION

In accordance with the approved plans and specifications, as presented in the Permit to Construct originally approved on July 26, 2010 and subsequently modified on November 30, 2010 and included in the Permit to Construct/Operate issued on April 12, 2011, I certify that the construction of the Capital Improvements Project, Stoney Mountain Road Landfill, Permit Number 45-04-T, Henderson County, North Carolina has been constructed in substantial accordance with the approved plans and specifications.

The above executed certification meets the requirement of Attachment 2, Conditions of Permit to Construct, Part I – Transfer Facility Construction Conditions, Paragraph 3. b. of the Permit to Construct/Operate for the Henderson County Transfer Station dated April 12, 2011. The construction record (as-built) drawings are being prepared and shall be submitted to the Solid Waste Section in accordance with Paragraph 2.c. of the aforementioned Attachment 2.

McGill Associates and Henderson County appreciate your assistance with this project during the construction process and we all look forward to enjoying the benefits of the upgraded facility. Please do not hesitate to contact us if you any questions or require additional information.

Sincerely,
McGILL ASSOCIATES, P.A.
